**Joint Report of the Council and the General Board on a retirement policy for University staff: Notice and announcement of Ballot**

20 February 2012

The Council has considered the remarks at the Discussion on 24 January 2012 of its Joint Report with the General Board on a retirement policy for University staff (*Reporter*, 2011–12, p. 431). It notes that, of the 13 persons who spoke, five spoke against the proposal to maintain the current retirement age of certain University officers and eight spoke in favour, some with reservations. In view of the importance of the proposed policy, the Council, with the concurrence of the General Board, has agreed to submit a Grace to the Regent House (Grace 3, p. 475) for the approval of the recommendations in the Report and, in accordance with Regulation 7 of the regulations for Graces and Congregations of the Regent House (*Statutes and Ordinances*, p. 108), it has determined that a vote will be taken on the Grace according to the timetable set out below. The Council intends to promote one or more fly-sheets to be circulated with the ballot papers that will address, *inter alia*, specific points raised in the Discussion.

In accordance with Regulation 9 of the regulations for Graces and Congregations of the Regent House (*Statutes and Ordinances*, p. 108) any written proposals of amendments to this Grace, accompanied by the signatures of at least twenty-five members of the Regent House who support the proposal, should be sent to the Vice-Chancellor by 4 p.m. on Friday, 2 March 2012.

**NOTICE OF A BALLOT**

The Council gives notice that a vote will be taken by postal ballot under the Single Transferable Vote Regulations (*Statutes and Ordinances*, p. 118) on Grace 3 of 22 February 2012.

In connection with this ballot the Registry will arrange for the printing and circulation of any fly-sheet, signed by ten or more members of the Regent House, which reaches him by 1 p.m. on **Thursday, 15 March 2012**. Fly-sheets must bear, in addition to the signatures, the names and initials (in block capitals) of the signatories (*Statutes and Ordinances*, p. 112). Voting papers and fly-sheets will be distributed to all members of the Regent House on or before **Tuesday, 17 April 2012**; the last date for the return of voting papers will be **Friday, 27 April 2012**.

**North West Cambridge: update on progress and the development of proposals for a first phase: Notice**

The University last summer gave authority (Grace 2 of 15 June 2011) for the submission of a planning application for University land at North West Cambridge. The new Syndicate for the West and North West Cambridge Estates is conscious that these development plans are of interest to many within the University, and will endeavour to ensure that matters of substance are publicized through further timely updates in the *Reporter*, rather than leaving them to be included in a Report on the next occasion that University approval is sought. This is the first such update.

The outline planning application was submitted in September 2011, and current indications are that the consideration by the local authorities of the outline planning application for the whole site will not be complete before late summer 2012.

The Council reported in October (*Reporter*, 2011–12, p. 82) that it had decided to take forward detailed planning work for a Phase 1 at North West Cambridge preparatory to presenting a case for such a development to the Regent House during the course of 2012. As part of that package of work, a competition to appoint architects for the University elements of the project has been initiated (see <http://news.admin.cam.ac.uk/news/2012/01/13/competition-to-find-architects-and-landscape-architects-for-north-west-cambridge/>). This initial design work will be carried out within the budget already authorized by the Council.

The intention remains that the financial appraisal of the potential Phase 1 will be refreshed and updated in the summer of 2012, with a view to a Report to the University in the Michaelmas Term.

### **Response to remarks made at the Discussion on 7 February: Notice by the Editor**

In the *Reporter* of 15 February 2012, a Notice was published in reply to Discussion remarks on the Annual Reports of the Council and the General Board and Reports and Financial Statements for 2010–11 (*Reporter*, 2011–12, p. 453). Under the sub-heading *OIA Pathway 3 Consultation*, the Notice observed that Professor Evans (who had made remarks on this matter) ‘commented in particular on statements in that response relating to Alternative Dispute Resolution (ADR) in which, as Chief Executive of the Improving Dispute Resolution Advisory Service for Further and Higher Education, she has a particular interest.’ The Editor of the *Reporter* wishes to clarify that the phrase ‘particular interest’ in reference to Professor Evans’s position as Chief Executive of IDRAS was not intended to imply that Professor Evans had any financial or directly personal interest that she should have declared when she pointed out in her remarks that Alternative Dispute Resolution was worth considering by the University.

### **Provisional student headcount data: Notice**

The Student Statistics Office has now published early provisional student headcount data for 2011–12, which is now available on the web at <http://www.admin.cam.ac.uk/offices/planning/sso/headcount/>.

## GRACES

### Graces submitted to the Regent House on 22 February 2012

The Council submits the following Graces to the Regent House. In accordance with the provisions of Regulation 7 of the regulations for Graces of the Regent House (*Statutes and Ordinances*, p. 107), the Council has determined that a vote shall be taken by ballot on Grace 3 (see the Council's Notice, p. 465). The remaining Graces, other than any which is withdrawn or for which a ballot is requested in accordance with Regulation 8 of those regulations, will be deemed to have been approved at 4 p.m. on Friday, 2 March 2012.

1. That an Address to Her Most Excellent Majesty The Queen be sealed with the Common Seal of the University, and presented to Her Majesty on the occasion of the sixtieth anniversary of Her Majesty's accession to the throne.<sup>1</sup>
2. That Regulation 3 of the regulations for Addresses to The Sovereign and Formal Letters to other universities (*Statutes and Ordinances*, p. 190) be amended by replacing the words 'together with six other members of the University, to be nominated by the Vice-Chancellor' by the words 'together with not more than six other members of the University nominated by the Vice-Chancellor; provided that the Vice-Chancellor shall not be required to nominate additional members to the deputation on a particular occasion'.<sup>2</sup>
3. That the recommendations in paragraph 24 of the Joint Report of the Council and the General Board, dated 12 December 2011 and 30 November 2011, on a retirement policy for University staff (*Reporter*, 2011–12, p. 347) be approved.<sup>3</sup>
4. That PricewaterhouseCoopers be reappointed, in accordance with Statute F, II, 5, to be the qualified accountants for the audit of the University's financial statements for the financial year 2011–12.

<sup>1</sup> It is expected that the Address will be presented to Her Majesty on 27 March 2012. The text, which has been approved by the Council, will be available for inspection in the University Offices Reception from 24 February. It will be published in the *Reporter* early in the Easter Term together with details of the University's deputation.

<sup>2</sup> The current regulation specifies that the Chancellor shall be accompanied when presenting a Loyal Address to The Sovereign by the Esquire Bedells and by the Vice-Chancellor, the Orator, the Proctors, the Registrary, and six other members of the University to be nominated by the Vice-Chancellor. The Vice-Chancellor has received information indicating that on this occasion the complete deputation specified by the regulation cannot be accommodated at Buckingham Palace (other Privileged Bodies will also present Addresses at the same ceremony). It is therefore proposed to amend the regulation to permit the Vice-Chancellor to nominate not more than six additional members to the deputation, but to remove the requirement to do so on every occasion that an Address is presented.

<sup>3</sup> See the Council's Notice on p. 465.
