ADMISSION AND TICKETS

Admission to this occasion will be by ticket only.

All members and staff (including retired staff) of the University and the Colleges are eligible to apply for tickets to attend the Congregation and Reception. In order to allow the greatest possible attendance by such applicants, requests for additional guest tickets will not be accepted.

Applications should preferably be made online at: <http://cam.ac.uk/HD17Reporter>

Those who prefer may apply on paper or by email, stating a postal address and their qualifying University and/or College affiliation. Postal applications should be sent to Honorary Degrees, The Vice-Chancellor's Office, The Old Schools, Trinity Lane, Cambridge, CB2 1TN or emailed to HonDegsRSVP@admin.cam.ac.uk (which can also be used for queries relating to the Congregation).

The deadline for applications is Friday, 19 May 2017. If demand for places exceeds capacity all applications received by that date will be balloted. Successful applicants should expect to receive their ticket in late May or early June and further details about the day will be included on the tickets.

Applicants who discover at any stage that they can no longer attend are asked to inform the Vice-Chancellor's Office promptly so that their application can be deleted and the place offered to others. Tickets already sent should be destroyed as they are **not transferable**.

University Composition Fees

26 April 2017

In the following Notice the Council proposes amendments to the fees for certain categories of students.

The Council has noted that assurances have been provided by the government about EU students commencing in 2017 and, on 21 April 2017, in respect of students starting in 2018, but the position of those starting in 2019 and later remains uncertain. Without in any way altering the fee status of students currently on courses or the fee status of new students as prescribed by the government, references to 'EU' have been removed in these tables so that nothing to the contrary can be implied for students considering admission in later years.

There are two rates of fee: 'Home' (instead of 'Home/EU') and 'Overseas/International' ('Overseas' has been retitled 'Overseas/International'). EU students may be classified now and in the future as paying either one or the other according to the rules in force at the time.

Home rate of fees for M.A.St. students in 2018–19

The Council proposes that the Home rates of fee payable for the M.A.St. Degree increase by 3% over the 2017–18 rates and the fees be as set out in Table 1 of the Schedule to this Notice.

Fees for postgraduate students in 2018–19

The Council proposes general increases of 3% on the Home rates of fee payable for postgraduate courses and 5% on the Overseas/International rates. The fees set out in Tables 2 and 3 in the Schedule reflect these increases and also include any differentials proposed by Schools in this Planning Round.

For new entrants the fees for the Ph.D., Eng.D., M.Sc., and M.Litt. Degrees are fixed at the same cash value for the three years of the course. The increases therefore only apply to new entrants in 2018. Postgraduate fees were consolidated with the College Graduate Fee in 2015.

Home fees for the P.G.C.E. and for the examination in Architecture and Urban Design for the M.Phil. Degree are at the Regulated undergraduate rate and will be included in a further Notice when those rates for 2018 are announced.

Fees for ELQ students in 2018–19

The Council proposes that the fees for Home ELQ students (those studying an equivalent or lower qualification to one already obtained) increase by 3% over the 2017–18 rates. The fees are set out in Table 4 of the Schedule to this Notice.

The Home ELQ fees for the B.A. Degree in Architecture and B.A. Degree in Medical and Veterinary Science are at the Regulated undergraduate rate and will be included in a further Notice when those rates for 2018 are announced.

The Council is accordingly submitting a Grace to the Regent House (Grace 2, p. 482) for the approval of the fees set out in the Schedule attached to this Notice.
