The Vice-Chancellor gives notice that having consulted the Senate-House Syndics, he will deliver his annual address after the election of the Proctors at 10 a.m. required by Statute C IV and the Special Ordinance made under it and not beforehand. Members of the Regent House and other members of the University community who wish to be present are therefore asked to be seated by 9.50 a.m.; proceedings are expected to end by approximately 10.45 a.m.

Members of the University attending should wear academical dress (black gowns, hoods are not required). Tickets are not issued and refreshments will be served afterwards.

Amending Statutes for Trinity College

23 September 2019

The Vice-Chancellor begs leave to refer to his Notice of 15 July 2019 (*Reporter*, 6556, 2018–19, p. 817) concerning the text of a Statute to amend the Statutes of Trinity College. He hereby gives notice that in the opinion of the Council the proposed Statute makes no alteration of any Statute which affects the University, and does not require the consent of the University; that the interests of the University are not prejudiced by it, and that the Council has resolved to take no action upon it, provided that the Council will wish to reconsider the proposed Statute if it has not been submitted to the Privy Council by 23 September 2020.

Grace 5 of 24 July 2019 (organisational structure of student representation on Faculty Boards and other bodies): Ballot timetable

24 September 2019

Further to the Vice-Chancellor's Notice dated 2 August 2019 (*Reporter*, 6558, 2018–19, p. 883), there shall be a ballot on Grace 5 of 24 July 2019. The ballot shall be held in accordance with the Single Transferable Vote regulations (*Statutes and Ordinances*, 2019, p. 114).

In connection with this ballot the Registry will arrange for the circulation of any fly-sheet, signed by ten or more members of the Regent House, which reaches her by **1 p.m. on Friday, 8 November 2019**. Fly-sheets must bear, in addition to the signatures, the names and initials (in block capitals) of the signatories (*Statutes and Ordinances*, 2019, p. 110). Documents which are submitted by fax to 01223 (3)32332 or scanned or photographed documents containing a signature sent to the Registry at Registry@admin.cam.ac.uk will also be accepted. **Online voting will open at 10 a.m. on Tuesday, 19 November 2019 and close at 5 p.m. on Friday, 29 November 2019**; fly sheets will be available online. Hardcopy voting papers and fly-sheets will be distributed not later than Tuesday, 19 November 2019 to those who opted by 2 November 2019 to vote on paper;¹ the last date for the return of voting papers will be 5 p.m. on Friday, 29 November 2019.

¹ Details on how to opt out of online voting and instead receive hardcopy voting materials will be published in the *Reporter* on 2 October.

Grace 1 of 20 March 2019 (age limit on membership of the Regent House and other related matters): Consent of the Colleges

19 September 2019

By Grace 1 of 20 March 2019, the Regent House approved amendments to Statute A III 11 concerning membership of the Regent House. Those changes included the removal of the age limit applied to certain classes of members, including College Fellows. As the changes affected the Colleges, the Registry wrote to the Heads of the Colleges asking for their College Governing Body's consent to the amendment of the University's Statutes (in accordance with s. 7(1) of the Universities of Oxford and Cambridge Act 1923). The Registry has since received confirmation from all 31 Colleges that this consent has been given. The amending Statute was sealed on 19 September 2019 and has been forwarded to the Privy Council Office.

Members of the Council in class (e) (external members)

1. Under the regulations for the appointment of members of the Council in class (e) (*Statutes and Ordinances*, 2019, p. 112), the Council, on the recommendation of the Proctors and the Deputy Proctors, has appointed Mr Mark Lewisohn, a serving member of the Council in class (e), to chair the Nominating Committee for the current period.

2. The other members of the Nominating Committee are:

The Vice-Chancellor

Dr Richard Anthony, *JE*

Dr Nick Bampos, *TH*

Dr Stephen Cowley, *EM*

Professor Anthony Green, *Q*

Dr Rachael Padman, *N*

Dr David Secher, *CAI*

The Registry is Secretary to the Committee.

The Committee has further agreed that Professor Fiona Karet, *DAR*, elected member of the Committee in class (c) with effect from 1 October 2019, will join the meetings of the Committee as an attendee for the duration of the process.

3. There are four members of the Council in class (e). External members are appointed for terms of four years. Ms Sara Weller was appointed to a first full term of four years in January 2017. Ms Sara Weller wishes to step down by the end of the calendar year. One place is therefore vacant from 1 January 2020. The appointment would be for an initial period until 31 December 2024,¹ potentially renewable for another full term of four years. Ms Sharon Flood, Professor Sir David Greenaway and Mr Mark Lewisohn are the other current external members of the Council. Mr Lewisohn is the Deputy Chair of the Council, Professor Sir David Greenaway chairs the Audit Committee and Ms Weller chairs the Remuneration Committee.

4. Applications are sought from individuals who have held senior leadership posts within organisations of significant scale and complexity and who can demonstrate relevant experience. A demonstrable commitment to, and interest in, education and/or research are important. An international perspective and experience of varying forms of organisational governance would be desirable but not essential.

5. Cambridge is seeking to encourage greater diversity throughout the institution, at all levels. This is equally a priority in the governance of the University, and hence a key aim in this appointment. Candidates will demonstrate alignment with the values of a university and its positive role and function in society through its education, research and translation activity.

¹ Subject to the approval of the recommendations of the Report of the Council, dated 24 September 2019, on the period of appointment for the next external member of Council (p. 11).

6. The appointment is as a charity trustee and does not carry any remuneration. Reasonable travel and other expenses incurred can be claimed.

7. External members of the Council are expected to attend all Council meetings (up to eleven ordinary and two strategic meetings per year) and to serve on sub-committees, as chair or member, throughout the academic year. The successful candidate will also need to spend some time getting to know the collegiate University by attending background briefings and/or informal University and College events. Information about the work of the Council and the University's governance arrangements is available at: <https://www.governance.cam.ac.uk/>.

8. The Nominating Committee has engaged Perrett Laver as search advisers. Appointment details can be downloaded from their website at <https://candidates.perrettlaver.com/vacancies/> quoting reference 4317 and applications should be made to them by 12 noon on 18 October 2019.

9. Those wishing to make suggestions about suitable candidates should provide information to the Registry by the same date, stating why they believe that the person suggested would be particularly suitable for this role.

10. Any enquiries may be made to the Registry (Emma.Rampton@admin.cam.ac.uk) or to the Head of the Registry's Office (Regina.Sachers@admin.cam.ac.uk).

Members of the Audit Committee in class (c) (external members)

1. At its meeting on 15 July 2019, the Council agreed to establish a Group to make a recommendation to the Council with regard to appointments to two upcoming vacancies for members of the Audit Committee in class (c).

2. The members of the Nominating Committee are:

Professor Sir David Greenaway (Chair)

Ms Sharon Flood

Professor Richard Penty, *SID*

Dr Andrew Sanchez, *TH*

The Head of the Registry's Office is Secretary to the Committee.

3. There are four members of the Audit Committee in class (c). External members are appointed for terms of four years. The terms of office for two external members of the Audit Committee come to an end on 30 December 2019. Two places are therefore vacant from 1 January 2020. The appointments would be for an initial period until 31 December 2023, potentially renewable for another full term of four years.

4. Applications are sought from individuals who have held senior leadership posts within organisations of significant scale and complexity, and who can demonstrate relevant leadership and change management experience. This ideally includes experience of managing risks in one or more of the following areas: financial sustainability, infrastructure (both estates and IT related) and/or digital transformation. An international perspective and experience of varying forms of organisational governance environments would be desirable but not essential.

5. Cambridge is seeking to encourage greater diversity throughout the institution, at all levels. This is equally a priority in the governance of the University, and hence a key aim in this appointment. Candidates will demonstrate alignment with the values of a university and its positive role and function in society through its education, research and translation activity.

6. The appointment does not carry any remuneration. Reasonable travel and other expenses incurred can be claimed.

7. External members of the Audit Committee are expected to attend all meetings and workshops of the Committee (normally six meetings and 2–4 workshops per year) throughout the academic year. The successful candidates will also need to spend some time getting to know the collegiate University, attending background briefings and/or informal University and College events. Information about the work of the Audit Committee and the University's governance arrangements is available at: <http://www.governance.cam.ac.uk>.

8. The Nominating Committee has engaged Perrett Laver as search advisers. Appointment details can be downloaded from their website at <https://candidates.perrettlaver.com/vacancies/> quoting reference 4318 and applications should be made to them by 12 noon on 18 October 2019.

9. Those wishing to make suggestions about suitable candidates should provide information to the Registry by the same date, stating why they believe that the person suggested would be particularly suitable for this role.

10. Any enquiries may be made to the Registry (Emma.Rampton@admin.cam.ac.uk) or to the Head of the Registry's Office (Regina.Sachers@admin.cam.ac.uk).

Christmas and New Year closing: University Offices

23 September 2019

The Council has authorised the closure of the University Offices from 1 p.m. on Tuesday, 24 December 2019, until 8.30 a.m. on Thursday, 2 January 2020. The University Messenger Service will not operate during the period of closure.

Car parking on University central sites

The allocation of car park badges to Departments for 2019–20 shall continue to be issued under the current policy which relates the number of badges issued to current staff numbers and site capacities.

Details of the criteria for the issue of badges from 1 October 2019 are as follows:

- (i) The allocation of badges shall not exceed the ratio of 1.8:1 when measured against the parking capacity of any site.
- (ii) Allocations will be adjusted where necessary to conform to the above ratio.
- (iii) Heads of Departments will be responsible for the issue of badges according to Departmental allocation. It is suggested that the following criteria should normally be applied in the order specified. It is recognised, however, that Heads of Departments will use their own judgement in applying the criteria as appropriate:
 - (a) persons with a Blue badge;
 - (b) persons with other medical or physical conditions which necessitate that they should park in close proximity to their place of work;
 - (c) family commitments – a need to attend to dependent family members during the day (e.g. taking/collecting children to/from nursery or school, visiting elderly or hospitalised family members) in areas not immediately accessible by public transport;
 - (d) unsocial hours of work – a requirement to work unsocial hours on a regular and frequent basis, finishing and/or starting at a time when public transport provision does not provide a viable alternative;
 - (e) persons having a requirement to use a car for work purposes on a regular basis during the working day as an essential part of their duties;
 - (f) persons who are prepared to undertake a formal car-sharing arrangement;
 - (g) inadequate public transport – applicable to staff who reside beyond a distance where they could reasonably be expected to walk or cycle to work, in areas beyond reasonable reach of public transport;¹ [Staff applying on this basis should note why they need to drive into Cambridge rather than use the Park & Ride.]
 - (h) staff who are willing and able to park their vehicle at the University secure park and cycle facility and cycle, walk, or take the University shuttle bus service to their place of work (only those staff working on central sites are eligible).

Badges should not be issued to former members of staff or for use other than in connection with current University employment. Undergraduate and postgraduate students are not eligible for a badge except by qualification under (a) or (b) above.

Able-bodied persons who already have adequate parking facilities at a central College should normally be ineligible for a badge. For this purpose the term ‘central College’ excludes those Colleges which are inside the City boundaries but not situated in the central area, i.e. Churchill, Fitzwilliam, Homerton, Hughes Hall, Lucy Cavendish, Murray Edwards, St Edmund’s, and Wolfson. Girton College, which is outside the City boundary, is also excluded.

Further information can be found at <https://www.em.admin.cam.ac.uk/about-us-what-we-do/estate-operations/facilities-services/car-parking-and-park-cycle>.

¹ Reasonable public transport provision is defined as follows: a total journey time not in excess of forty-five minutes each way including walking time.

REPORTS

Report of the Council on the period of appointment for the next external member of Council

The COUNCIL begs leave to report to the University as follows:

1. There is a vacancy for an external member of the Council from 1 January 2020 (see p. 5). This Report proposes an amendment to the period of appointment of the person to be appointed by Grace to fill that vacancy.

2. The standard period of appointment for a member of the Council in class (e) (external members) is four years from 1 January. In the event of a casual vacancy before the end of that period (when, for example, a serving member decides to step down early), the period of appointment of the new member is the remainder of the period served by the previous member. The reason for these arrangements, which are common to many University committees, is to maintain staggering in the appointments of members, so that only some of the members are expected to leave – and new members join – at predictable intervals.

3. The Council, on the recommendation of its Nominating Committee, has agreed to propose that the period of appointment for the next external Council member should be the remainder of the term of the departing member (from 1 January 2020 until 31 December 2020) plus the standard four-year term. The process undertaken by the Nominating Committee seeks to identify

people with considerable leadership experience who are willing to volunteer their time to support the work of the University by becoming a trustee. Such people are in demand and therefore offering an appointment of only one year is likely to discourage some good candidates from putting themselves forward. There are also practical considerations: the nominating process takes several months and would have to start again next year, well before the new appointee had completed one year as a Council member.

4. The provisions governing the period of appointment of Council members and the handling of casual vacancies are in Special Ordinance. When provisions previously in Statute were transferred to Special Ordinance in 2014 on the recommendation of a technical review, it was agreed that no changes would be made to Special Ordinance without the publication of a Report (Statute A III 5, *Statutes and Ordinances*, 2019, p. 5). The one-off arrangement of a longer than standard period of appointment in this case therefore requires a Report (whereas a similar arrangement concerning the setting aside of a provision in Ordinance only requires a Grace).

5. The Council recommends that, notwithstanding Special Ordinance A (ii) 1(c) and 3(e) and Special Ordinance A (vii) 1(b) (*Statutes and Ordinances*, 2019, pp. 66 and 69), the period of appointment of the next person appointed by Grace as a member of the Council in class (e) be for five years from 1 January 2020 (or for the remainder of that period if the appointment takes effect after that date).
