Deputy Chair of the University Council

Election to the Board of Scrutiny

22 February 2021

The Vice-Chancellor gives notice of an election to a casual vacancy on the Board of Scrutiny in class (c)(i) (a person who has been a member of the Regent House for not more than ten years on 1 October 2021) under Statute A VII, following the decision of Ms Ala'i to step down. The person elected would serve with immediate effect until 30 September 2023, the remainder of Ms Ala'i's term.

The Board of Scrutiny consists of:

- (a) the Proctors;
- (b) the two Pro-Proctors nominated by the Colleges;
- (c) eight members of the Regent House elected by the Regent House.

Under the provisions of Statute A VII 4, no person may be a member of the Board of Scrutiny who is a member of the Council, the General Board, or the Finance Committee of the Council, or who holds any of the University offices of Chancellor, Vice-Chancellor, Pro-Vice-Chancellor, University Advocate, Deputy University Advocate, Registry, Assistant Registry, or Secretary of a School. The Statute further prohibits from membership holders of offices with primarily administrative duties designated by Ordinance: Directors and Deputy Directors in the Unified Administrative Service and Assistant Treasurers have been designated as such prohibited offices. A retiring member of the Board who has served for four or more consecutive years is not eligible to serve again as a member in class (c) until one year has elapsed after the end of her or his previous period of service. Members are reminded that no person shall be appointed to the Council or the Board of Scrutiny who at the commencement of his or her period of service (or further period of service) would have attained the age of seventy years.

If no nominations are received in accordance with the timetable below, the Council shall be asked whether it wishes to appoint a member to the vacant place or for another election to be held, in accordance with Regulation 3 of the regulations for the election of members of the Board (*Statutes and Ordinances*, November 2020, p. 114).

The University is committed to a proactive approach to equality, which includes supporting and encouraging all under represented groups, promoting an inclusive culture, and valuing diversity. Nominations from groups that are under represented on the Board of Scrutiny are welcomed.

Further information about the Board of Scrutiny can be found in the *Statutes and Ordinances* as noted above, on the Board's website (<https://www.scrutiny.cam.ac.uk/about>), and obtained from Mr Graham Allen (email: gpa13@cam.ac.uk), Chair of the Board.

Nomination procedure and election timetable

In order to be eligible, candidates for election are asked to send their nominations to the Vice-Chancellor, to be received not later than **12 noon on Friday, 12 March 2021**. The Vice-Chancellor asks candidates to address their nominations to the Registry by email to Registry@admin.cam.ac.uk. The nomination should include (a) a statement signed by two members of the Regent House, nominating the candidate for election and specifying the class in which the candidate is nominated, and (b) a statement signed by the candidate confirming consent to be nominated. The candidate is also required to provide a personal statement by the same date (see below). The following will be accepted: photographed or scanned nominations showing handwritten signatures; nominations with scans of signatures or other types of electronic signature inserted; an email from the nominee received from a University account, copied to the University email accounts of the proposer and seconder of the nomination.

In accordance with the regulations governing the election (*Statutes and Ordinances*, November 2020, p. 111), those standing for election should send to the Registry, by 12 noon on Friday, 12 March 2021, a statement in support of their nomination, which will be provided to voters. Each statement should be no more than 500 words in length and should cover the following points:

- the candidate's present position in the University;
- previous posts held, whether in Cambridge or in other universities or outside the university system, with dates;
- the candidate's reasons for standing for election, and the experience and skills they would bring to the role;
- a note of the candidate's particular interests within the field of University business.

Nominations will be published on the Advance Notices section of the *Reporter* website as they are received; the complete list of nominations will be published in the *Reporter* on Wednesday, 17 March 2021.

If the election is contested, it will be conducted by ballot under the Single Transferable Vote regulations. Online voting will open at 10 a.m. on Monday, 22 March 2021 and close at 5 p.m. on Friday, 2 April 2021. Hardcopy voting papers and supporting materials will be distributed not later than Monday, 22 March 2021 to those who opted in November 2020 to vote on paper; the last date for the return of voting papers is **5 p.m. on Friday, 2 April 2021**.

Office of Pro-Vice-Chancellor: Reappointment

22 February 2021

The Council gives notice that, after consultation with the General Board and on the recommendation of the Nominating Committee for the appointment and reappointment of Pro-Vice-Chancellors,¹ it has agreed to reappoint **Professor David Cardwell, F**, as Pro-Vice-Chancellor (Strategy and Planning) for three years from 1 August 2021.

¹ The Nominating Committee comprised the Vice-Chancellor as Chair; Ms Gaenor Bagley, Professor Christopher Kelly and Dr Jason Scott-Warren (members of the Council); and Professor Tim Harper and Professor Anna Philpott (members of the General Board).

Re-introduction of reward and progression schemes in 2021–22

22 February 2021

In Easter Term 2020, as a result of the financial impact of Covid-19, the Council agreed to certain pay restraint measures for the 2020–21 academic year (*Reporter*, 6587, 2019–20, p. 542). These included the suspension of all but one part of the reward and progression schemes for that year only.

The Council has kept the pay restraint measures under review. It has now approved the re-introduction of all reward and progression schemes for the 2021–22 academic year, in accordance with their usual implementation cycles.

REPORTS

Report of the Council on recognition of the merger of Cambridge University Press and Cambridge Assessment in the University's Statutes and Ordinances

The COUNCIL begs leave to report to the University as follows:

1. On 19 October 2020, the Council endorsed a proposal from the Press and Local Examinations Syndicates that there should be an operational merger of Cambridge University Press and Cambridge Assessment under a unified management team from 1 August 2021. This Report proposes amendments to the University's Statutes and Ordinances to reflect and enable the forthcoming merger. In particular, the Statutes and Ordinances currently (i) require the assets and financial transactions of the two businesses to be kept segregated in order to enable separately audited accounts; and (ii) provide for the existence of two distinct Syndicates whose powers are respectively prescribed in a way which has been apt for the governance of the businesses as separate organisations, but which will cease to be workable in the context of a merged operation.

2. Having taken legal advice, the Council considers that Statute J in its current form is drafted sufficiently broadly that, with appropriate revisions to Ordinances, it is possible to operate the merged business under Statute J as it stands, although it would be preferable to revise some of the nomenclature to reflect the coming together of the two businesses.

The Council is accordingly recommending revisions to Statute J and the Ordinance for the Press Syndicate, as well as the rescinding of the Ordinance for the Local Examinations Syndicate and other consequential amendments.

Statute J in its revised form changes the name of the University Press to the Press and Assessment Department and (for the sake of clarity) specifies that the Department is concerned with publishing, assessment and the provision of associated services. The name of the Press Syndicate is changed to the Press and Assessment Syndicate and the opportunity is taken to remove the requirement that the Council annually appoint one or more members of the Finance Committee to examine the accounts prepared in accordance with Statute J 8; this requirement is superfluous following the establishment of the Press and Assessment Board. The Syndicate will continue to report annually to the Council and that report will continue to be published in the *Reporter*.

The Ordinance in its revised form alters the provisions for the membership of the Syndicate so that the minimum number of members is twelve and the limitation that members must be drawn from the Senate is removed. The requirement for appointments to be made by the Council in the Michaelmas Term to take effect from the following January is also removed to enable appointments at any time, although the period of appointment remains four years.

7. The Council recommends:

I. That, subject to the approval of Her Majesty in Council, the Statutes of the University be amended as set out below and that these amendments be submitted under the Common Seal of the University to Her Majesty in Council for approval, to come into effect on 1 August 2021 or such later date as is approved by the Council.

(a) By revising Statute A VII 5(a) and (b) (*Statutes and Ordinances*, November 2020, p. 10) to read as follows:

- (a) to consult any official documents or accounts (other than those of the Press and Assessment Department) which may be relevant to any enquiry;
- (b) to consult such official documents or accounts of the Press and Assessment Department as may be specified by Ordinance;

This will enable former Local Examinations Syndics to be appointed as members and provide more flexibility in making appointments to the Syndicate. The revisions also transfer to the Syndicate certain powers formerly specified in Ordinance for the Local Examinations Syndicate.

3. It is intended that, following the merger, the existing governance arrangements will stay in place; that is to say, the Syndicate will continue to delegate its powers to the Press and Assessment Board. The Press and Assessment Board will meet regularly throughout the year and oversee on a delegated basis the day-to-day running of the merged businesses. The Board will be accountable to the Syndicate which is expected to continue to meet half-yearly.

4. These proposals will ensure that the University's Statutes and Ordinances are apt to recognise the new business entity from the beginning of the new financial year. The Council intends to review further the overall governance arrangements for the merged businesses once the operational matters arising from the merger have had time to bed down.

5. While it is expected that the proposed amendments to Ordinances, if approved by Grace, will come into effect in time for 1 August 2021, it is possible that the requisite changes to Statutes might take longer due to the need to obtain Privy Council approval. This Report's recommendations therefore include in Recommendation II transitional changes to come into effect from 1 August 2021, in line with the formal date of the merger, in the event that the changes to Statute are not approved by that date. Those temporary changes will remove references to Cambridge Assessment and dissolve the Local Examinations Syndicate, passing its responsibilities to the Press Syndicate during the transitional period. As soon as the changes to Statute come into effect, the amendments to Ordinance in Recommendation III will come into effect and replace the transitional amendments in Recommendation II. This means that, if the changes to Statute are approved by 1 August 2021, the transitional amendments in Recommendation II will never apply.

6. Annexes A and B set out the transitional changes to Ordinance and matters outside Ordinance that will be made with effect from 1 August 2021 if the Regent House has approved by Grace the changes to Statute but the Privy Council has not yet approved the changes. Annexes C and D provide details of the changes to Special Ordinance and Ordinance and to matters outside Ordinance that will be implemented if the Privy Council approves the changes to Statute.

- (b) By revising Statute A IX 3(d) (*Statutes and Ordinances*, November 2020, p. 11) to read as follows:
- (d) any matter under the responsibility of the Press and Assessment Syndicate.
- (c) By revising Statute A X 2(b) (*Statutes and Ordinances*, November 2020, p. 12) to read as follows:
- (b) the term ‘*in statu pupillari*’ shall mean a member of the University (in which term shall be included a member of a College, or of an Approved Society, resident in the University with a view to matriculation) who has not been admitted to an office in the University (or to a post in the Press and Assessment Department specially designated under Statute J 7 or to an appointment approved by the University for the purpose of Special Ordinance A (i) (f)), or to a Fellowship or office of a College, or to a degree which qualifies the holder for membership of the Senate under Statute A I 7(c), and is of less than three and a half years’ standing from admission to her or his first degree (if any);
- (d) By revising Statute C I 1(c) (*Statutes and Ordinances*, November 2020, p. 16) to read as follows:
- (c) The institutions under the supervision of the General Board shall be the Schools, Faculties, Departments, and any other institution placed under the supervision of the General Board by Statute, by Ordinance, or otherwise. All other institutions in the University, except the Press and Assessment Department, shall be under the supervision of the Council.
- (e) By revising Statute F I 5 (*Statutes and Ordinances*, November 2020, p. 46) to read as follows and by rescinding Statute F I 6:
5. Except as may be provided otherwise by Statute J, the accounts of the University shall be audited annually by external auditors appointed by Grace on the nomination of the Council.
- (f) By revising Statute J (*Statutes and Ordinances*, November 2020, p. 53) to read as follows:

Statute J

PRESS AND ASSESSMENT

1. There shall be in the University a Press and Assessment Department concerned with publishing, assessment and the provision of associated services. Such Department shall be devoted to printing and publishing in the furtherance of the acquisition, advancement, conservation, and dissemination of knowledge in all subjects; to the advancement of education, religion, learning, and research; and to the advancement of literature and good letters.
2. There shall be in the University a Press and Assessment Syndicate. The management of the finance, property, and affairs generally of the Press and Assessment Department shall be the responsibility of the Press and Assessment Syndicate which shall exercise in relation thereto all the powers of the University except in so far as the Statutes and Ordinances expressly or by necessary implication provide otherwise. The Press and Assessment Syndicate shall consist of the Vice-Chancellor or a duly appointed deputy as Chair and such members appointed in such manner as shall be determined from time to time by Ordinance. Other arrangements for the operation of the Press and Assessment Syndicate or the Press and Assessment Department may be prescribed by Ordinance provided they are not inconsistent with this Statute.
3. The Press and Assessment Syndicate shall have power in the name of the University and for the purposes of the Press and Assessment Department to exercise the powers in Statute A II 3–8. These powers shall apply to investment as well as to any other activity or function of the Press and Assessment Department. Save only insofar as the Statutes, Ordinances or regulations enacted under Statute J 5 expressly or by necessary implication provide otherwise, these powers may be exercised at the absolute discretion of the Press and Assessment Syndicate.
4. All income accruing to the Press and Assessment Department shall be credited to the accounts of the Press and Assessment Syndicate and all Press and Assessment capital and income shall be controlled by the Press and Assessment Syndicate and applied by them at its sole discretion for the purposes of the Press and Assessment Department, save that in any year in which the audited accounts show a sufficient balance the Press and Assessment Syndicate shall pay over to the University Chest such a proportion of the balance as shall be agreed upon between the Syndicate and the Council.
5. The Council shall have authority to impose limitations on the power of the Press and Assessment Syndicate to enter into any financial commitments or to grant security on the property of the Press and Assessment Department.

6. The Press and Assessment Syndicate shall have power in the name of the University to engage persons for employment in the service of the Press and Assessment Department, determine their salaries and pensions, prescribe the conditions of their service and dismiss them.

7. Persons holding certain posts in the Press and Assessment Department which have been specially designated under this section by the Council on the recommendation of the Press and Assessment Syndicate shall be treated as University officers for the purposes of Special Ordinance A (i) (b), Statute B I 1, Statute B II 2, and Statute A X 2(b).¹

8. The accounts of the Press and Assessment Department shall be audited annually by one or more qualified accountants appointed by the Council.

9. There shall be a Press and Assessment Seal, as a seal of the University to be used on the directions of the Press and Assessment Syndicate in matters relating to the affairs of the Press and Assessment Department; but the existence of the Press and Assessment Seal shall not invalidate the use in connection with such matters of any other seal of the University. The University shall have power to make Ordinances concerning the custody and affixing of the Press and Assessment Seal.

10. The Press and Assessment Syndicate shall have power to delegate any of its powers under this Statute subject to any limitations imposed by Ordinance.

11. The term ‘property of the Press and Assessment Department’ here and elsewhere in Statutes and Ordinances shall refer to property of the University, both real and personal, held or used for the purposes of the Press and Assessment Department. In favour of any person having dealings with the Press and Assessment Department a certificate signed by the Registrary that any particular property is the property of the Press and Assessment Department, or that any limitations imposed under Statute J 5 have been complied with, shall be conclusive.

12. The Press and Assessment Syndicate shall make an Annual Report to the Council, which shall be published to the University either as a whole or in summary.

13. Notwithstanding the provisions of the foregoing sections, the Council shall have power in circumstances which the Council deems to be exceptional, on the advice of its Finance Committee, to discharge the Press and Assessment Syndicate, and to assume full responsibility itself for the management of the Press and Assessment Department for the time being. If the Council has occasion to exercise the powers available under this section, the Council shall make a full report to the University on the circumstances necessitating such action.

¹ [A footnote will be added here once the Council has designated which postholders in the Press and Assessment Department shall be treated as University officers.]

II. That, if Recommendation I is approved by Grace but not by Her Majesty in Council by 1 August 2021, the amendments to Ordinance set out in Annex A be approved, to come into effect from that date.

III. That, if Recommendation I is approved by Her Majesty in Council, the amendments to Ordinance set out in Annex C be approved, to come into effect from 1 August 2021 or such later date as is approved by the Council.

 3. Without prejudice to the generality of the powers conferred by Statute on the Press Syndicate for the management of the affairs of the University Press, the Press Syndicate shall be authorised in the name of the University to exercise in relation to the affairs of the University Press the following powers (being powers which for the avoidance of doubt it is desirable to mention expressly) namely:

 - (b) to bring, defend, and conduct on behalf of the University any legal proceedings in connection with the affairs of the University Press, provided that before instituting such proceedings it shall notify the Vice-Chancellor of its intention so to do; and it shall also notify the Vice-Chancellor, as soon as circumstances permit, of any legal proceedings threatened or brought against the University in connection with the affairs of the University Press;
 - (c) to acquire for the purposes of the University Press any property real or personal and whether in the United Kingdom or elsewhere or any estate or interest therein; and to dispose in any manner of any such property, being property of the University Press; but subject always to the provisions of the general regulations for University property (sites and buildings) insofar as it shall be expressly stated to apply to the University Press, and, as regards land in the United Kingdom, to any restrictions for the time being imposed by law on the acquisition or disposal of land by the University;
 - (d) to establish and maintain branches of the University Press in any part of the world and if it thinks fit to cause companies or other bodies approved by them to be incorporated for the holding or management of any such branches;
 - (e) to establish reserve funds when in its opinion such funds are necessary to make provision for the future continuance of the University Press or for its prospective liabilities;
 - (f) to cause the Press Seal to be affixed to any document in accordance with the provisions of Regulation 7 of these regulations;
 - (g) to delegate any of its powers to a committee of the Press Syndicate or, except in the case of its power under sub-paragraph (f) of this regulation, to any officer of the University Press;
 - (h) to co-operate with the Department for Education, associations of teachers, and other bodies in Great Britain in the provision of examinations, and to issue certificates to successful candidates;
 - (i) to co-operate with educational authorities and other bodies overseas in the provision of examinations and to issue special certificates;
 - (j) to make arrangements for the inspection of schools on application by the school authorities;
 - (k) to conduct special scholarship and other examinations, primarily intended for persons who are not members of the University, such as examinations for Certificates of Proficiency in English and other modern languages, and to co-operate with other bodies for such purposes;
 - (l) to administer under Ordinance or Grace or when requested by the Council such scholarship and prize funds as may be or have been established from benefactions to the University and to award any such scholarship or prize; and

- (m) to make donations from time to time, subject to the approval of the Council, to the Cambridge Commonwealth, European and International Trust, and other trusts established by the University to raise funds for the support of students from overseas studying in the University.
