The Vice-Chancellor reminds members of the University that a Congregation will be held on Wednesday, 22 June 2022 at 2.45 p.m., at which the Chancellor expects both to celebrate and confer Honorary Degrees. The eight degrees to be formally celebrated are those which were to have been conferred in June 2020 and were exceptionally conferred in absence in May 2021, following the cancellation of the 2021 Congregation (see Graces 1–8 of 22 May 2021, *Reporter*, 6618, 2020–21, p. 664). Admission to the Congregation will be by ticket and details of the arrangements including application for tickets are expected to be published in the *Reporter* on Wednesday, 27 April 2022.

NOTICES BY THE GENERAL BOARD**Reassignment of the El-Erian Professorship of Behavioural Economics and Policy, and related changes**

11 March 2022

The General Board supports the proposal, put forward by the Council of the School of the Humanities and Social Sciences, to reassign the El-Erian Professorship of Behavioural Economics and Policy, currently in the Department of Politics and International Studies, to the Cambridge Judge Business School (CJBS) in the School of Technology. The El-Erian Fund for Economics and Policy, which supports the Professorship, would also be transferred to the Cambridge Judge Business School. The Fund also supports the El-Erian Institute of Human Behaviour and Economic Policy, a Fellowship at Queens' College and studentships.

The Councils of the Schools and the Faculty Board of Business and Management support the changes, as they agree that the CJBS provides the best fit for the Professorship and the Centre, following the first recruitment to the Professorship. Professor Lucia Reisch, the current holder of the Professorship, approves of the reassignment of the Professorship and the President of Queens' College also endorses the changes. The staff member currently supported by the Fund has been consulted and will also transfer to CJBS; the Doctoral students have been offered the opportunity to decide whether to remain with their current Degree Committee or to transfer with the Professor.

The Council is submitting Graces to reassign the Professorship to the Cambridge Judge Business School and to amend the regulations for the Fund to reflect the changes to the governance arrangements (Graces 1 and 2, p. 320).
